EDUCATION

Bachelor's Degree in Computer Science, Sherbrooke University

2026 - 2028

Co-op Program

Computer Science Technology, Édouard-Montpetit

2025 - 2027

Attestation of College Studies in Web Application Development, Édouard-Montpetit

2023 - 2025

INTERNSHIP

IT intern, Longueuil — *Fire safety*

MARCH 2025 - MAY 2025, 10 WEEKS

Participate in planning meetings, gather and analyze requirements from prospective users, and design and develop a prototype application for managing daily activities using Microsoft Power Apps.

PROJETS

[See the projects](#)

Student project, Hockey series pool — 105 Hours

Design and develop features as part of a project completed by a team of four programmers, in collaboration with a client and a fictional product owner. Plan and organize development using a backlog and sprints, model data, and apply object-oriented programming principles, the MVC architecture, and separation of concerns.

Personnal project, Shop app

Design and develop an e-commerce web application, program dynamic interfaces, and integrate services to enable communication with the application's data.

DISTINCTION

Excellence Scholarship –
Édouard-Montpetit CEGEP and ENA
Foundation

LANGUAGES

French 5/5
English 4/5

STRENGTHS

Strong communication
Initiative
Problem solving
Teamwork

SKILLS

Web Development — Develop · Design · Program · Integrate

C# · .NET · ASP.NET MVC · Angular · TypeScript · JavaScript · HTML · CSS · API

Databases — Design · Model · Manage · Implement

SQL Server · SSMS · Entity Framework · Code First · Database First · Migrations

Version Control — Version · Collaborate · Manage

Git · GitHub · GitKraken · Fork

Agile Methodology — Plan · Organize · Debug

Azure DevOps · Agile · Scrum · Visual Studio · Visual Studio Code

Development Environment — Develop · Debug · Configure

Visual Studio 2022 · Visual Studio Code · IntelliJ IDEA · Android Studio

HOBBIES

Track and field

Competitive throughout highschool

Reading

Mathematics and Programming (popular science and technical books), Classical Literature
